A2 PURITY RESULTS

The a2 Milk Company (Australia) Pty Ltd can confirm that UHT Full cream a2 Milk™ (English Label), 200ml and 1L intended for export Market is free from A1 Beta Casein protein.

The products are manufactured by an “approved” a2 Third Party Manufacturer in accordance with a2 Specifications.

All a2 branded products, including UHT range of products are tested by external test lab using validated LC-MS/MS test methods.

Product is not released before this testing occurs to ensure the product is free from A1 Beta Casein protein.
